

Items Needed for the School Year

We recommend that you **write/label your child's name on every item** they bring into school including: **jackets, blankets, lunchboxes, backpacks, hats, mittens, extra clothes, slippers, etc.** It is not uncommon for children to have identical items and this policy will help the children, as well as the teachers, keep track of their possessions. St. Spyridon Preschool is **NOT** responsible for lost items or clothing.

TO BE LEFT AT SCHOOL:

- **Extra Clothes:** Every child is **required** to have a complete set of seasonally appropriate clothing to be kept at school in his/her cubby. Items needed are: shirt, pair of pants and/or shorts, socks and underwear. Please place these items together in a plastic **Ziploc** bag labeled with your child's name.
- **Pull-Ups and Wipes:** If your child is using pull-ups, we will need a supply, along with wipes. Labeled with your child's name.
- **Blanket/All-In-One Nap Mat:** All students staying until 3:00 p.m. or 5:30 p.m. are **required** by DEEC to participate in rest time while at school. You must provide one blanket or all-in-one nap mat to be kept here at school (labeled with your child's name). Please no character heads of any kind! Pillows are not allowed.
- **Slippers:** All students **must** have a pair of slippers to be kept at school (labeled with your child's name). Please do NOT send your children to school with slippers that make noise, have large character heads or resemble flip flops. This is a safety hazard!
- **Picture/Photograph:** Please provide a photo of your child to be used in the classroom.

DAILY ITEMS:

- **Lunchbox:** All students staying until 3:00 p.m. or 5:30 p.m. are required to bring a lunch (labeled with your child's name), ***complete with a drink, fork and spoon.*** For the safety of the children **NO GLASS containers** are allowed at any time. We recommend that you place a freezer pack inside of the lunchbox each day to keep items cold and also use a Thermos to keep food items warm. We are **PEANUT and TREE NUT FREE!** (please read food labels prior to placing items in your child's lunchbox)
- **Face Masks:** Face masks are NOT required, but are recommended. Please provide 2 child sized face masks labeled with child's name in a ziplock baggie.
