Our summer enrichment program is composed of 4, 2 week sessions for children 2.9-6 years of age. The engaging weekly themes, hands-on experiences, outside play and fun physical challenges will surely stimulate each child's senses.

What your child needs for fun in the sun with us:

1. Closed-toe Shoes and Comfortable Clothing
2. Sunscreen- Applied BEFORE your child comes to the program
3. A bag/backpack filled with:
 - A. Labeled Water Bottle
 - B. Labeled lunch and 2 snacks
 - C. Complete Change of Clothing
 - D. Blanket For Rest Time

*required for all programs over 4 hours

Program Availability:

Monday-Friday 9:00 a.m.- 3:00 p.m.

Early drop off 7:30 am * additional \$7/day

Tuition: \$295 per week

*Must register for at least one, 2 week session

Session 1

Week 1: July 6-10 ~ Party in the USA

Learn about the wonders of America, and partake in tie-dying, as we fill this week with stars, stripes and everything red, white and blue!

Week 2: July 13-17 ~ Summer Fun We'll

greet the summer and enjoy the beautiful weather while playing outdoor sports, creating nature art and learning about summer safety.

Session 2

Week 3: July 20-24 ~ The Land Before Time (Dinosaurs)

This week will be a "ROARING" good time as we travel back in time to learn about the land of the lost!

Week 4: July 27-31 ~ It's a Pirate's Life for Me...and Mermaids too!

Walk the plank with us as we learn all about the life of pirates and mermaids! We will even learn how to read a treasure map and create our own mermaid slime!

Session 3

Week 5: August 3-7 ~ Under The Sea

Explore the beauty of the ocean and the fascinating creatures that live within, as we dive into a week under the waves!

Week 6: August 10-14 ~ It's A Bugs Life

We will venture outside to learn all about the beautiful creepy, crawly creatures that live in our own backyard.

Session 4

Week 7: August 17-21 ~ Let's Go Camping!

We will explore the wonders of the great outdoors through stories, nature-inspired art. We will pretend to pitch tents, look for forest animals, and "roast" pretend marshmallows by the campfire.

Week 8: Aug 24-28 ~ Slime Time (STEAM/Science)

Getting messy is what it's all about this week as we create and experiment with many magic mixtures such as: Oobleck, bubbles, goop and much more!
